

12TH GRADE COLLEGE CHECKLIST

**It's time to apply to colleges you would like to attend
and to make sure you're ready for college level work.**

- **Review your class schedule with your counselor** to ensure you meet all college preparatory requirements.
- **Earn college credit in high school** by taking Dual or Concurrent credit, and TechPrep courses.
- **Attend college nights, college fairs,** and other informative events.
- **Begin the college application process in September.** Submit admissions applications no later than December. Call to verify that the college or university received your materials.
- **Get a Free Application for Federal Student Aid (FAFSA)** from the financial aid office (Room 1), at www.fafsa.ed.gov, or by phone at 1-900-4-FED-AID.
- **Write to the college you have chosen to let them know you plan to attend.** Write to other colleges that have accepted you to let them know of your decision so they can offer admission to another student.
- **Finalize college-housing arrangements,** if you plan to live on campus.
- **See an academic advisor,** at college or university you will be attending, then register early.
- **Take part in summer orientation programs** for incoming freshman.
